

Newsletter

### Welcome to our end of term 4 newsletter!

As another term draws to a close, it is lovely to reflect on all of the exciting events which have taken place. The term started with a fantastic trip to Bewl, and despite some challenging weather, the staff and year 5 thoroughly enjoyed their adventure. Standing up and dancing in a Kayak was certainly a new experience for me! We loved seeing the children dressed up for World Thinking Day and World Book Days, well done to parents and children for the imaginative costumes! We have begun our journey with OPAL (Outdoor Play and Learning) and are very excited about the next steps. Please keep your eyes peeled for more information and requests for donations! I wish everyone a peaceful Easter Break, Mrs Baldwin, Headteacher

### Attendance this term

**文会文会会会会会会会会会会** 

会会会会会会会

94.3%

Best attendance this term:
Falcon Class 97.6% and Wagtail Class 97.4%
Whole school attendance this academic year:

Whole school attendance this term 95.1%

Congratulations to Mrs Hayes and her family, who welcomed the safe arrival of baby "Imogen" on Friday 8th March 2024.

Mummy, Imogen and big brother Isaac are doing well and we look forward to seeing them at some point soon for cuddles.

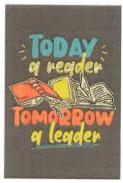

## Football superstars!

A huge well done to our fantastic football teams for their brilliant performances on Thursday 21st March 2024. Wouldham won the Tunbury Football Tournament and then had a narrow defeat to Delce after school. We are incredibly proud of the children's determination and excellent team skills. Huge shout out to Ezra who won an award for being a great sportsman shining a light on our school values. Staff report that the children were all well mannered and respectful,

representing our school impeccably. Thank you to Louis Kennedy and MFSE for supporting the children.

## Reading, reading and more reading

Evidence shows that reading for pleasure is the single biggest indicator of a child's future success — more than their family circumstances, their parents' educational background or their income. Among the many benefits, reading is proven to reduce stress and anxiety, increase empathy and improve vocabulary. Reading is not just about decoding text, children love to escape into a good story. Reading to your child or sharing an audio book is extremely beneficial to their development. The World Book Day website has free audio books and lots of ideas and resources for families to explore! Families - World Book Day

We read with the children in school regularly but the biggest thing you can do for your child's development is to read to and with them at home! Let's all aim high for record reading success in term 5!

Mrs George Baldwin and children from year 6 and year R enjoyed planting 100 trees on the school grounds courtesy of the Royal Forestry Society. We hope this will be a lasting memory for our year 6 children and we are sure the year R pupils will enjoy growing up alongside the trees!

## **Term 4 in Action**

## Year 4 enjoyed baking biscuits in DT!

Jackdaw class have been studying the Great Barrier Reef in geography this term. We have looked at the damaging effect plastic is having on all marine life.

In an attempt to clean up our own environment, we went on a litter pick around the field, two bags of plastic were collected! We hope to stop more being blown into the river and then out to sea.

### **Uniform Update**

As we move towards more active playtimes which will include playing in sand and on the muddy field, we feel this is a good time to consider our school uniform policy. Therefore, from term 5 onwards our school ties are no longer compulsory. Children may wear a white polo shirt or white shirt. We would also ask that children bring in a pair of old trainers if they are particularly keen on playing on the field or in our muddy zones!

## & Carers A Guide for Parents School Attendance:

children at school. promote the regular attendance of with schools and other services to Kent County Council works closely

# Your responsibility

You have a legal duty to ensure your child receives a regular education at school or otherwise, which will help give them the best possible chance of success in life.

If your child is of compulsory school age and registered at a school, but absent without good reason, the school may choose not to authorise any of those days. This could result in the council taking action against you for each child absent, including:

- A fine (fixed penalty notice)\*
- Attendance Prosecution through the Magistrates' Courts which could lead to a fine of up to £1,000 or a parenting order being issued.
- An Education Supervision Order (ESO) through the Family Courts.
- \* Your child's school may apply for the council to issue a fixed penalty notice to you if:
- Your child goes on holiday without the headteacher's permission.
- Your child is absent or late without a suitable explanation, or none is provided

Each parent can receive a £120 fine for each child reduced to £60 if paid within 21 days. If the fine remains unpaid after 28 days you may be prosecuted which could result in a larger fine.

www.gov.uk/school-attendance-absence/legal-action-to-enforce-school-attendance

# **Attendance matters**

# Too ill to attend school?

Children can attend school with minor ailments (toothache, headache, stomach ache, cold, sore throat). If you are unsure how long your child should be absent with an illness, ask your child's school, GP or pharmacist for advice.

# Medical appointments

All routine appointments should be booked outside school hours. If your child is absent for medical reasons, your child's school may ask to see 'medical evidence' (e.g. copy of a prescription, medicine packaging with a label or appointment card). If you are unable to provide this, the school might not authorise the absence.

# Absence during term time

Your child must not be absent from school:

- For day trips / birthdays / holidays
- If weather is bad or you are running late
- To care for other family members
- Due to the illness of a parent or sibling.

The school will only authorise an absence in very exceptional circumstances, such as in the event of a family emergency.

## Reporting absences

It is a parent / carer's responsibility to notify school with the reason if their child will be absent.

www.childrenscommissioner.gov.uk/back-into-school/resources-for-families/

# Every day counts

## **Punctuality**

Arriving late to school is unsettling for your child and can be disruptive for their teacher and other children in the class. It is important your child arrives on time. If your child arrives late, this will be marked in the register. If your child arrives very late, this may be recorded as unauthorised absence for the whole morning. Be sure you know the times the school marks pupils as late.

Minutes late per day	Equals days- worth of teaching lost per year
5 minutes	3.4 days
10 minutes	6.9 days
15 minutes	10.3 days
20 minutes	13.8 days
