

Wouldham All Saints Church of England Primary School

Newsletter – w/e 7 October 2022

Falcon Class have been at Hardelot Centre in France this week. They have had an amazing time and it is really good to be able to travel abroad again. Look out for some photos next week.

We are again getting complaints about parking and inconsiderate driving in Worrall Drive. Please can we ask drivers to park safely and respectfully. Lately we have seen a number of drivers doing 3 point turns right in front of the school gates, parking in the entrance to the service yard and also stopping by the gates to let children out of cars without parking. Please help us to keep all our children and parents safe. Thank you for your support

WORSHIP

During worship this week, we have been exploring the thought-provoking theme, 'Giving our time'. On Tuesday, Year 5 led us brilliantly, using the story of Nehemiah, who was a great example of sacrificing our time to benefit others. Throughout the week, we have been both challenged and encouraged to give our time to those that need it, without expecting anything in return, just as Jesus did for us! Next week Monday, we are celebrating our Harvest Festival, so if you have not brought in any food donations and you would still like to, please bring them in on Monday. Lastly, the memory verse of the week was: The Earth is the Lord's and everything into, the world, and all who live in it (Psalm 24:1).

Friends of Wouldham—PTA

The friends held their first meeting this morning, Friday 7th October to discuss plans for this academic year.

We didn't see any new members which is a shame as there is lots to do and we always welcome new ideas and new members. If anyone can spare any time to join us when planning or running events etc please let the school office know. All the money raised goes back into school to buy items they couldn't normally buy. Thank you so much in advance for any support you can offer.
