Fireworks Success

Thank you to everyone who purchased tickets and came to our annual fireworks display. We hope you all had a great time, and we thank you for your support. Fireworks is one of our biggest and busiest events. We are happy to announce that we raised a total of £2066.66p. This has put us in a great position to start the fundraising for the OPAL play scheme the school are looking to introduce.

We always welcome any feedback, good or bad. Please do not hesitate to drop us a message.

As you may have noticed, it was a very busy evening and a huge thank you to all that helped us on the night
If you can help at all at any of our events, please let us know.
