Friday 5th		TTRS	https://vimeo.com/507043505 White rose activity		Book vs Film comparison		Chapter 29	Theme - design and make a board game			

Spellings

This week we are looking at adding -es to nouns and verbs ending -y. So the rule is to take off the 'y' and add 'ies' e.g. fly turns into flies. Example words are: flies, replies, copies, babies, cherries, factories, families, hurries, carries, bullies.

Have a go at the online games here https://www.spellzone.com/word_lists/list-10266.htm to help you learn this spelling pattern. Alternatively, you could find some more examples and use the look, say, cover, write, check method to help you.
